

**NEW, IMPROVED
AND EXPANDED!**

**Great Lakes Colleges Association
Tuition Remission Exchange**

The Great Lakes Colleges Association (GLCA) made changes to its Tuition Remission Exchange (TRE) program in 2023-24, helping to improve and expand this great benefit for faculty and staff across the 20 colleges and universities participating in the program. The GLCA-TRE program allows students eligible for tuition remission (as a benefit of parental employment at one of the participating colleges) to receive tuition remission at any of the other colleges in the Exchange. We expanded membership and reduced the TRE Fee from 15% down to 10% of the average tuition across all participating institutions (\$5664 for 2024-25).

The GLCA-TRE program welcomes our newest member:

St. Olaf College

This brings the number of institutions to 20, with possibly more in the future. The full list includes:
